

## 69th Annual Fiesta of Five Flags Pistol Match May 4-5, 2019

### 2019 Results Bulletin Has Arrived!

This is an NRA Precision Pistol Regional Tournament with roots at our club going back to the early 1950s. In addition to the NRA 2700 aggregate regional match, the tournament will also feature the NRA Distinguished Revolver match (30 rounds) as well as the Civilian Marksmanship Program "Excellence in Competition" matches for both service pistol and rimfire pistol (both 30 rounds).

On Saturday, we were able to almost fire the entire program for the day except the Distinguished Revolver match when a severe thunderstorm abruptly made its presence known. On Sunday the sun came out for the .45 caliber match and added our postponed revolver match.

The match bulletin has the full results and several more photos.
